PRESIDENT'S REPORT

President Osborn outlined his past month's activities as follows:

He attended the annual Central Labor Council conference in Springfield.

He spoke at the Carpenters Convention.

Attended the Spike Ahern retirement dinner in Worcester.

Met with a group of orthopedic doctors regarding their interest in organizing.

The newspaper guild in Boston contacted the President regarding their efforts to organize some of the media outlets.

Marched in Holyoke parade, which is the third largest St. Patrick's Day parade in the country. Good show by labor in this parade.

Pres. Osborn advised that the members of the Council have all been invited to the Regional Conference in Providence. He explained the plans by the National AFL/CIO to have Pres. Kirkland and S.T. Donahue take part in a van tour of the New England states with Donahue visiting Lowell and Springfield and Kirkland covering Vermont and Maine.

The President explained the Legislative Agents Program. All the locals of the Vice Presidents have responded and there are approximately 100 at present. The big issue is the taxing of fringe benefits. Pres. Osborn urged all to write letters to their National legislators on this. Don Leahy, at the President's request, gave a report on his local 1505 IBEW's efforts which resulted in approximately 400 letters going out to Congress. Pres. Osborn noted that this is a very important issue and National is concerned.

V.P. Faherty noted the devastating effects this taxing of fringe benefits would have on the average working person. Discussion followed on this.

Pres. Osborn advised that that National Community Services meeting will take place in Boston on June 16th; a 3-day program is planned with Frank Emig, the Director of National Community Services presiding.

Pres. Osborn asked for a volunteer to serve on the Consumers Coalition.

Pres. Osborn said he was requested by the Maritimes Council to support a new industry, American Tuna. MMS to give the support of the Massachusetts AFL/CIO Council to this industry. Passed.

Pres. Osborn noted the correspondence having to do with the Harvard Trade Union cost. MMS to refer this communication to the Executive Officers. Passed.

MMS to support the concept of a new arena instead of rehab of the present facility. Passed.

Pres. Osborn noted that he and S.T. Carpenter would be attending a breakfast the following day sponsored by the Democratic State Committee and invited anyone interested to attend.

Pres. Osborn advised that he is pleased with the success of the grassroots efforts thus far, which has resulted in the election of over 600 delegates. This was possible from the seed money donated by the International Unions. The Pres. advised that there will be a raffle to further support this type of effort, at Gompers Murray and asked that each member of the Council take a book of chances for \$10.

Pres. Osborn advised that April 1st is the date of the Harvard Trade Union interviews.

Pres. Osborn outlined the proposed agenda for Gompers Murray Institute.

MMS to accept the President's Report. So voted.

SECRETARY-TREASURER'S REPORT

Financial report noted.

Sec.-Treas. Carpenter discussed the efforts involved in bidding on the building at 44 Temple Place. Said he is waiting to hear on the bid but has gotten feedback that we are in the running. The bid was \$400,000 with approximately 1/2 million dollars in rehab. This will come back to full board for final approval.

Sec.-Treas. Carpenter gave a brief report on his recent trip to Germany -- his visits to factories, their training and apprentice programs, etc. He talked about their (the unions) involvement in politics and gave a lengthy report on the robotization of the V.W. plant in Wolfsburg.

Sec.-Treas. Carpenter advised that he carried the Irish American labor flag in the New York City St. Patrick's Day parade.

Sec.-Treas. Carpenter noted that he, along with Vice Pres. Alman, were sworn in as members of the Mass. Industrial Advisory Board. This Board will have final decision on what partial closings will be covered under the law. Explained how he objected to one of the people on the Board and sent a letter to the Governor on this. The person

objected to did not show up for the swearing in so the problem did not surface at this meeting.

MMS to accept the Secretary-Treasurer's report. So voted.

EDUCATION REPORT

Pres. Osborn explained that much of his education report was built into the President's report. He also noted that the scholarship tests were being graded now with the help of Joe O'Donnell and his Harvard Trade students.

MMS to accept the Education Report. So voted.

LEGISLATIVE REPORT

Director Foley handed out a printout of all the bills and the hearing dates.

There were only two bills left to be numbered -- the Carpenters and the Motion Picture bills.

Director Foley advised that April 4th was day for the Workers Comp. hearings in Gardiner Auditorium and urged attendance. Also, on April 22nd the Building Trades will have the bill on Prevailing Wage before the Committee on State Administration.

Director Foley outlined the Workers Comp. Bill and explained the importance of everyone being at the hearings. Said there will be great media pressure after the 4th to resolve this issue.

Pres. Osborn at this time brought up the meter reader bill and said this is very important.

Vice Pres. Farmer asked support of Council on H.B. #5648 having to do with the deductible of \$100 in glass damage. This would be very dangerous to the glaziers and will cost jobs.

MMS to oppose H.B. 5648. Passed.

Discussion followed on the bill regarding importation of electric power with Vice Presidents Joyce and Faherty giving their input.

V.P. Devlin asked for support of the Council in defeating the bill granting aid to private schools.

MMS that Mass. AFL/CIO go on record favoring a progressive and meaningful reform and legislative agents of the Mass. AFL/CIO and Teachers union to choose those issues that would be considered legislative issues. Passed.

Director Foley reminded the Board members that if they had an interest in a specific bill, to call him at the office and an update will be sent.

Vice Pres. Irvin spoke on the Gas Meter Inspectors Bill, which will be heard on March 27th. It is Senate Bill 178.

Vice Pres. Mills asked support of a bill requiring doctors to handle medicaid patients. Pres. Osborn advised that this had been referred to the Executive Officers, and they will get busy on this issue.

MMS to accept the Legislative Report. So voted.

MMS to accept the minutes of the Executive Officers meetings. So voted.

MMS to send one of the Executive Officers to the Building Trades Legislative Conference in Washington, D.C. on April 15th. So voted.

MMS to refer the communications of this meeting to the Executive Officers. So voted.

Vice Pres. Joyce discussed the labor media project. Pres. Osborn advised that the problem is in the hands of the Regional Office and he is awaiting word from them. He will update the Council on this as soon as he is advised.

Discussion on the request by Fr. Boyle for support of the Fr. Gavin conference room project took place.

Roll Call.

Meeting adjourned at 11:50 A.M.
